

NEBIDA

Corten chair

DESCRIPTION

Nebida is the corten chair with a decisive character designed by Francesco Giuliani for TrackDesign. The chair is inspired by lightness and gravity that, together, distinguish the steel. The furniture is composed of two parts: solid base and backrest in brown waxed corten steel, made of wire, built with painted corten rounds* with a minimum diameter of 12 mm. Nebida combines elegance and personality and interprets the mood of the cosy home with a discreet style combined with extreme comfort. Choose quality and style with Nebida which is ideal for decorating the most sought-after interior spaces.
