

OVOV

Coffee table in corten

DESCRIPTION

The Ovov coffee table is ideal for hosting our guests. The idea comes from the free composition of geometric shapes that the designer Claudia Fanciullacci which harmoniously helped to design the table base in corten steel. The parallelepipeds, being in a "V" shape, support and connect elliptic shapes of different sizes. Ovov is the table characterised by minimal lines and it represents the quality and the beauty of authentic minimal design which is perfectly suited to the shape of the room and any environment. From the same collection you can find Ovov Table in wood tabletop or tempered glass.
