

# LINEAR

## Corten table

LINEAR table has been one of the first contemporary pieces designed for our made in Italy custom store furniture. Its structure is essential and elegant, luxurious and close the industry style. The Corten with matt wax finish is combined with oak wood whose natural colouring enhances the contrast with the warmth and orangey tones of Corten. In order to offer you a fully complete workshop experience, TrackDesign gives you the opportunity to customize your furniture as you prefer.
